To the Parents of Bishop Allen Academy:

Bishop Allen Academy has achieved a high level of success over the years and we all want to ensure that our children continually receive the best possible education now and into the future. We want to be able to provide the technology and materials that enhance their educational experience and help to maintain a high quality of education in our school.

Last years campaign enabled FOBA to purchase new LCD projections, a lighting board and partially fund a new internal communication system. Your donations this year will fund items such as library materials, DVD programs, AV equipment, BASLO, physical education equipment, SMART boards, and teacher supplies.

To ensure that our children receive the best education possible, we have formed "The Friends of Bishop Allen (FOBA)." FOBA has been formed to raise money for student materials and programs. FOBA is a registered charitable organization that will issue you a tax receipt for any money or goods that you donate, and all donations will go directly to support Bishop Allen student programs.

As a registered charity you can ask the United Way to direct all or a portion of your United Way contributions to FOBA; Please state the name, address and BN number.
