

donations in Kind

Dear Members of the Bishop Allen Community,

Re: Donations in Kind

Thank you very much for your support of the Bishop Allen community. It is much appreciated. Bishop Allen, like many schools, is always interested in providing technology to support student learning and innovation. In that regard we have recently received a shipment of seventy reconditioned computers. Nonetheless this does not entirely fulfill the technology needs of our school. One recent strategy to fill the technology gap is to appeal to the community for donations 'in kind' of technology. Basically if you have or know of a contact who might have an older television (no more than 10 years old, 26" and has digital inputs) or computer and peripherals that one would donate to the school we would be most appreciative.

For individuals donating in kind we would be open to offering a tax receipt up to \$50. in value thru FOBA (Friends of Bishop Allen.)

To contact us concerning gently used equipment please contact me at adrian.dellamora@tcdsb.org

Again, thank you very much for your ongoing support of the community.

Sincerely

Adrian Della Mora
Principal

Pentium 1.5 GHz Processor
256 MB RAM, Network card
CD-ROM or DVD-ROM
Sound Card, 17" Display Monitor
Minimum 20 GB hard drive (or larger)
128MB Video Card
Keyboard and Mouse

The following are the minimum specifications
for computers that will be compatible
with our the server.

Donor's Name: _____

Email address: _____

Phone Number: _____

Yes I would be interested in donating a: Television
Computer
Peripherals

Invest in the Future
of our children

Yes, I know of a contact (firm) who would be interested in donating.
