

June 13, 2011

Dear Graduates,

Bishop Allen is launching a NEW program next year and we need your help. In the spirit of “Reduce, Reuse and Recycle”, we are initiating the program here at Bishop Allen to benefit current and future students. Give us your support by giving us your used uniforms. All uniforms will be dry cleaned and ready for students to purchase next year at a fair price.

We will be accepting the uniforms on the morning of Tuesday June 28th. Please bring your used uniforms at the Grad mass and breakfast and deposit them in the available bags prior to mass.

Your uniform donation will help students in future years and raise fund for Bishop Allen extracurricular activities.

Thank you for your support.

Sincerely,

Environmentally Concerned Moms of B.A.
and your Catholic School Advisory Council (CSAC)
